Candidate Statement:

I have been active in patch testing for 21 years, both in academics and private practice, and am a member of the NACDG. I have served on the ACDS Board twice, most recently as Secretary-Treasurer, chair the CAMP Cross Reactor Committee and co-lead a Mentorship group. As President of the ACDS, I hope to guide the society to fulfilling its mission of promoting clinical care, education, research, and advocacy in the field of contact allergy.
